Thank you to all of those that have already offered your time and expertise for set, costumes, props etc we are really grateful and excited to get started.

Please don't worry there is still time to get in touch if you would like to be involved.

We have decided to put the show on a little later this time so please look out for dates in the next issue of the Stone Circle. So, it's time to dust off the tap shoes and shine up the tiaras as we venture back to..... PANTO LAND.

### The goals have arrived!

We are delighted to say that the long-awaited new football goals have arrived and are in place at the Rec Ground. Thanks go to PCSO Steve Cocks for supporting the purchase by using the Proceeds from Crime grant scheme to contribute to the cost.

### Jubilee Celebrations

The Jubilee trees will be arriving by mid-November and distributed to those who requested them. The PC will also be planting a tree in the playing field and placing a new bench by the trough.

## NEWS FROM THE CHAIR

All members of Duloe Parish Council wish to express their deepest condolences to the Royal Family following the passing of Her Majesty Queen Elizabeth II. Most will agree that she was an example to us all of how to live a life of duty and devotion to our country. She will be sorely missed.

After following government advice regarding pre-organised events, it was decided by the Duloe Ale & Cider Festival committee to go ahead with the festival on September 10<sup>th</sup>, ensuring that due respect was paid to the Queen during the afternoon. This was done and a one minute silence was adhered to by all those present. Needless to say the festival was a great success being the first since 2019 due to Covid restrictions. Congratulations to the organising committee, we are sure the charities being supported will benefit greatly.

Around the Parish various works have been carried out: tree cutting by the Shop, garden weeding by the trough, strimming around the rear and front of the public conveniences, and a widening of the gap at the park barrier onto the main road.

In future we hope to see: two drop kerbs by the junction between the post box and bus stop (Main Rd, Duloe), action from planning enforcement on a development at Trenant Cross, non-slip floor coating in the public conveniences, and more trees are to be delivered and planted as part of the Queen's green canopy Jubilee project. We will be investing jointly with the Recreation Ground to purchase a brush cutter/trimmer to be used at the Ground and by the parish Council to help keep footpaths clear as we have now devolved responsibility for some of our local paths.

Negotiations with the Jubilee Centre and Marquee Bar continue regarding the purchasing table tennis tables – (How many? Where to store them? How can people hire/rent them etc?) We are hopeful these issues can be ironed out before winter sets in.

I hope you enjoy this issue.

# DULOE ALE & CIDER FESTIVAL

Once again, the Duloe Ale & Cider Festival was blessed by good weather. We were also lucky the previous Sunday when the weather was good when we put up the marquees. On that Sunday we were blown away by the army of helpers from the village who came with their drills, spanners, and muscle power to help.

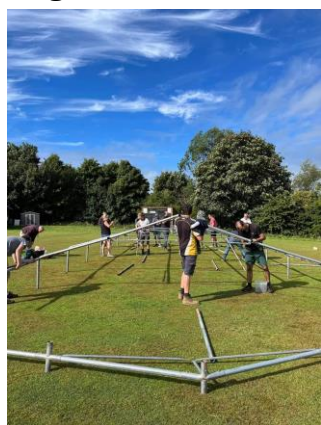

The festival itself was a huge success with a large crowd enjoying great ciders and ales, delicious food, and great entertainment.

The Committee would like to thank all our loyal sponsors, Cornish Orchards, and the group of volunteers and helpers who made the event such a success. Selling out of our beers and ciders meant we are in the fantastic position of being able to donate £6000 to our chosen charities.

These include Macmillan Cancer Support. Sands and Ella's Memory. On the day you may have seen ladies in green t-shirts working hard to help the day run smoothly. This group of women known as Team Jam First have been walking many miles to raise funds for Macmillan and we are delighted to be able to support their fundraising efforts.

We must also thank an ex-Duloe boy, Peter Barlow, who provides the brilliant stage via his business Outerstage, which is far better than our previous efforts

of curtain-sided lorries and tractors and trailers! The stage provided the perfect scene for the musical entertainment and hosted the Invincible Pigs, Lost in Space and finally Dew Barf who got everybody singing and dancing, rounding off a truly great day.

So, thanks again to everyone who came along to enjoy such a great day. As organisers it is always a pleasure to see a fantastic community fundraising day taking place and makes it worth all the hard work. See you next year – put the 9th of September in your diary!

Best wishes

## News from around the Parish

### Duloe Short Mat Bowls Club

With Duloe having won the Eastern Area Premier League for the first time in its Short Mat Bowls history, it qualified us to go forward to the Cornwall County Championship.

Two very hard-fought matches were played with us coming out on top as champions of Cornwall. It rounded off what had already been a terrific season, such an amazing effort by the entire squad and a year to remember.

We held a memorable Presentation/celebration at the club with Mark Slack bringing along his guitar, a good sing-along was had by all.

The summer months have allowed us to take our feet off the pedals and enjoy relaxed club nights, with two new members joining the club. Anyone wishing to have a go is always welcome. You don't need any equipment, as we have plenty of spare bowls and bowlers of ranging ability. Everyone is always welcome.

And so, the season starts again in earnest with us defending our title, our first home match is on Wednesday 19th October against Landrake, who in previous seasons have been our closest rivals. A tough starting game.

### Did you know?

The village of Herodsfoot has existed since the Middle Ages, nestled in the West Looe valley four miles south-west of Liskeard. Described by the Poet Laureate Sir John Betjeman as "an inland Polperro," legend has it the village name originates from the visit long ago of a local giant named Herod, who created the spot with one stamp of his great boot.

The probable explanation though is a derivation from Herodsfoot's setting 'at the foot of the long hill,' originally from the Cornish 'Nanshiryarth,' 'Hirgarth' or 'Hyr-Garth.' By the early seventeenth century it was known as Herryotsfoote, and later Herods Foote, before its present name.

### Herodsfoot

What a wonderful summer we have had which has given the village ample opportunity for coffee mornings and beetle drives on the village green. The annual Ram Roast and Duck race on the 31st of July was a great success, the village green was packed with people enjoying the organic lamb from John Ridout and BBQ, we also had some fantastic face painting by Bernie Coles. This was followed by the duck race at 8.00pm. The lack of water meant the race was quite slow this year. 1st duck through the bridge was Rowan from the village, 2nd place Adam Bishop, 3rd place Edward Harland, 4th was Ian Burns the last duck went to Julie Davis.

The Church fete on the 14th of August provided lots of stalls and games and everyone had an enjoyable afternoon with a BBQ and cream teas. On the 27th of August we held a BBQ to raise monies for the upkeep of the village green.

September started on a sad note with the passing of Queen Elizabeth II, many residents lit a candle in their window. On the 10th of September we held a Produce show on the village green, the judges were Councillor Jane Pascoe and Julie Davis. Most of the produce went to the Harvest festival with a harvest loaf from Pedro's of Polperro. On the 11th the Church service was taken by Ben Morgan-Lundie, this was well attended by the village and many from the new Benefice, the money raised was divided between All Saints church and Liskeard / Looe foodbank.

The Nash family held a Macmillan coffee morning on the 30th of September. Thanks to everyone who supported any of the events.

### Forthcoming Events:

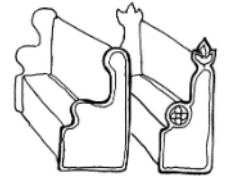

Remembrance Service. 11<sup>th</sup> November, 11am on the Thankful Village Green, Herodsfoot.

Nine Carols & Lesson Service with Liskeard Silver Band, 24<sup>th</sup> December, 6pm at All Saints Church Herodsfoot.

*Cllr Trixie Gordon.*

## St. Cuby's Church...a view from the pews...

This summer has been a time of thoughtful contemplation and reflection for many of us; and at St Cuby's we've had the opportunity to share and bear witness to some of these special moments as a community together.

We've had the happiness and the colour and joy of the Jubilee celebrations of course, and more recently the quieter times to look back and acknowledge the life and service of our Queen, Her Majesty Elizabeth II.

A lot of people have been popping into the Church, both locals and visitors alike, in the last few weeks. Some just want to sit and gather their thoughts, others to share a few heartfelt words and sign our book of condolence.

It hasn't been all quiet though! The Bell Ringing Team have had their say too. On Sunday the 11<sup>th</sup> of September they were joined by holiday makers in the area to ring in our new King as part of the National Parish proclamations. The team meet every Tuesday at 7pm for practice, and if anyone wants to join us, you will be made very welcome.

Our Harvest Festival on Sunday the 25<sup>th</sup> of September proved to be a really lovely gathering. Courtesy of the Barrett family, of whom several generations played very welcoming hosts on their farm at Trenant Barton, we met and shared a very engaging service led by Ben.

Paul took charge of the music, and figs, pomegranates and Cornish pasties figured prominently...as you might expect! Penny knows the bible passage by heart now having read it 3 times, and the children gave us all a spelling lesson. A handsome picnic lunch followed, and a collection for the Looe Community Meals Service was also taken.

### Service time changes

Please note, from September we have changed our regular Sunday Services times, to start earlier, at 9.30am. We hope this will prove more convenient and accommodate family Sunday schedules.

Our Christmas plans are in development. Please keep an eye on the noticeboards in the village, and at church for services and events as they are confirmed.

### Update from Revd Ben Morgan Lundie

Well, that has been an interesting six months since I was appointed as the new vicar. We have celebrated a remarkable Jubilee and said our farewells to a remarkable monarch in Queen Elizabeth II and welcomed a new King, as well as the Archbishop. I am sure, like me, you have had more to deal with than just the ordinary and every day.

We have celebrated Harvest – given thanks to God for all that He has provided us, food, water – even the air that we breathe. As the nights close in and we look towards Christmas and the New Year, let us think about where we find comfort and strength. Her majesty said this in one of her Christmas addresses:

*'I hope that, like me, you will be comforted by the example of Jesus of Nazareth who, often in circumstances of great adversity, managed to live an outgoing, unselfish and sacrificial life...He makes it clear that genuine human happiness and satisfaction lie more in giving than receiving; more in serving than in being served.'*

Through December our theme will be "Emmanuel – God with us" as we explore the familiar Christmas story and rediscover the significance of Jesus' birth for ourselves and our community.

Details of the services are elsewhere in the newsletter.

Each class has had great fun apple picking at Tremadart Barton Farm, filling a crate of apples as well as bringing home bags full for them to take home. Class 3 used the apples they collected to make apple sponge, which they sold at the end of school to raise £62.45 for Team Jam First – a group of present and past Duloe staff who completed the 26-mile Macmillan Cancer Support Cornwall Mighty Hike.

Class 1 have been busy finding out about castles and King Arthur in preparation for their trip to Tintagel Castle after the half term.

Class 2 have been exploring the Stone Age and made some very creative cave paintings on the playground. Class 3 have been exploring 'Is space the final frontier?' Through our space work, they have been creating amazing willow lanterns of the planets. We will be displaying these on our star gazing evening, a chance for us to celebrate all of our amazing learning with our families.

## Cornwall Hospice Care

Hi, my name is Carrie and I am a community fundraiser for Cornwall Hospice Care and I also fundraise for Cancer Research Relay for Life. ### Step 2: What are some options?

#### 1 Council Support Schemes

You may be eligible for a **crisis award** (to help cope with an emergency or disaster) or a **care award** (to help live independently).

People on low incomes may also be eligible for **Housing Benefit**, **Council Tax Support** (and **Exceptional Relief**), and **Discretionary Housing Payments** from the council. These awards are discretionary and will depend on your current circumstances.

Find out more at:  
[www.cornwall.gov.uk/benefits-and-support](http://www.cornwall.gov.uk/benefits-and-support)

#### 2 Maximise Your Income

Anyone who is struggling financially can get a benefit check and speak to an adviser for free and confidential advice.

A **benefit check** can ensure that you are receiving all the money you're entitled to, especially if your circumstances have changed recently. Speaking to an advisor could also help you **find cheaper deals** on things like gas and electricity and **make sure you're not missing out** on things like charitable grants or free school meals.

#### 3 Debt Advice

Debt can happen to anyone. Free advice and support can help you find ways to manage your debts and reduce how much you pay each month.

#### 4 Benefit Advance

If you have made a new claim for benefit and are in financial hardship while you wait for your first payment, you may be able to get an advance to afford things like rent or food. It's important to get advice before taking out an advance. Benefit advances must be paid back, and the money will be taken from your future benefit payments (a loan).

#### 5 Hardship Payment

If you have been sanctioned, you may be able to request a hardship payment from the Jobcentre. Hardship payments are not always paid immediately, and they're not available to everyone. Hardship payments of Universal Credit need to be paid back (a loan), but hardship payments of Job Seekers Allowance or Employment Support Allowance do not (not a loan).

#### 6 Challenge a Decision

You can challenge a benefit decision if your benefit has been stopped / sanctioned / reduced / refused or you have been overpaid. Most benefit decisions need to be challenged within one month.

Step 3: Where can I get help with these options?

## Duloe Produce Show

The Produce Show was back at the Jubilee Centre this year and yet again was a great success and enjoyed by all who took part. From scarecrows to Lego stone circles, prize parsnips to photos, there were categories for everyone to take part in.

Tracy Dodge, the Show organiser, said that it was great to see so many new faces and entries from those taking part for the first time. Huge thanks go to Tracy for all her hard work preparing and running the event, we look forward to next year and what the village comes up with.

## Magnificent Mighty Hikers!

Team Jam First completed the Cornish Mighty Hike marathon on 3<sup>rd</sup> September in aid of Macmillan Cancer Support. They walked 26 miles through torrential rain and strong winds from Padstow to Newquay in order to raise awareness of the charity and raise vital funds.

Sophie Dunn, Jam First's team leader said "it was a brilliant day; really emotional and hard at times but walking with such amazing women made it easier and a day to remember. We are so grateful to everyone who donated and supported us, and huge thanks to Duloe Ale & Cider Festival for the £1000, that's just great. We have raised a mighty £5828 for Macmillan Cancer Support which is just incredible and will make a huge difference to people's lives. Thank you!"

Well done to Team Jam First, you should be very proud of your achievements, that is a magnificent fundraising effort. Hope the blisters have healed and you have celebrated your success!
